Message from President Jackie Wynne

Many thanks to Wilma Caldwell for presiding over the November meeting in my absence. Now look what I missed...not only an excellent program and meal (I really wanted to try the teriyaki shrimp!), but I didn't get the chance to see Wilma set the standard on how to conduct a meeting. I know that Wilma was impressed, as I always am, by what a terrific ensemble of committees we have that put together every meeting and make it successful.

Very special thanks also to Trish Rollins-Lalor for coordinating the trip to the Museum of Natural Sciences.

The holiday frenzy has already begun. We know the holidays are busy and jam-packed with more special events than ever. We tried to schedule our December meeting so as many members as possible could attend -- scheduling it on the second Thursday in December instead of the third, and making it a luncheon instead of an evening affair. We hope this departure from the usual will make it easier, not harder, for you to attend.

Our December Holiday Luncheon Meeting will be on Thursday, December 13 at noon. We are delighted that the indefatigable J.C. Knowles will once again be on the program featuring "A Mini-Antiques Roadshow." As always, you are encouraged to invite a spouse or a friend to enjoy this special presentation. Please bring an item or two for J.C. to appraise, but whether he will have time to appraise everything will depend on the turnout. Last time J.C. was on the program (September 2011), he was very generous with his time and the program lasted over an hour. We appreciate that

President's Message, Continued

some of our members have limited time for lunch -- stay as long as time allows, and feel free to leave when you must...but if you will let us know that you may need to leave early, we will make sure that your items are among the first to be appraised.

If you have any questions, comments, criticisms, suggestions, or advice, please call me at (919) 880-1569 or email me. I look forward to seeing you all on the 13th.

Jackie Wynne

Message from First Vice President Wilma Caldwell

Our October meeting was such fun with bright, beautiful table decorations, several guests, good food and a great program. What a treat to hear Alex Miller tell us of the wonderful experiences he is having with students not in the Arts curriculum who have such a passion for the Arts. His slide show certainly showed us the beauty and diversity of their talents. I think we were all enthused by Roger Manley's presentation and slide show regarding what we have to look forward to when the Gregg Museum is completed. The architectural drawings and his slides gave a great vision of what the Museum and grounds will be like. These generous presenters also donated their speaking honorarium to the Gregg Museum. The meeting closed with a drawing for a lovely door prize that Reba had provided.

NOTES FROM OUR TREASURER:

- If you are paying at the door for your lunch meal, please have a check or the exact amount of cash that you owe, as we do not have a cashbox to make change.
- If you make reservations for a luncheon and have not canceled by the date on the reservation slip, we cannot return your check. The University Club charges us for the number of reservations we turn in.
- If you had planned to pay at the door and you were not able to attend, but did not cancel by the deadline date, please send your check. This is because we still had to pay for your meal.

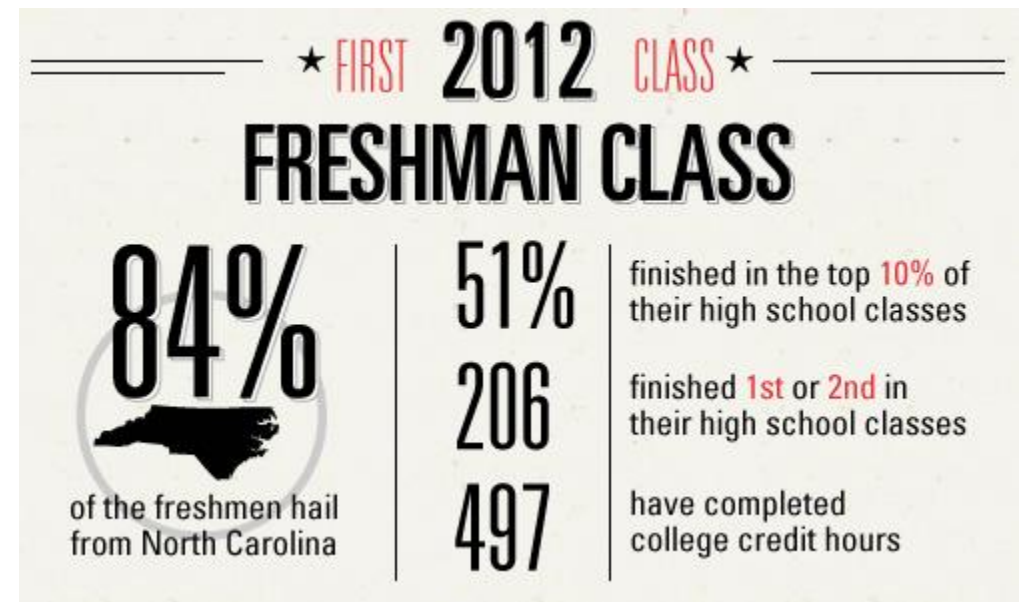

Thanks, *Mary Liner*

NC State Volleyball Earns First NCAA Berth Since 1987

For the first time in 25 years, NC State's volleyball team headed to the NCAA Championships. The Wolfpack (22-9 overall, 12-8 ACC) played Texas A&M on Thursday, November 29 in Austin, Texas, in a first-round matchup. (At the time of the printing of this newsletter, the results were not known.)

The Wolfpack set a school record for ACC wins and had its highest ACC finish since 1991. NC State (22-9 overall, 12-8 ACC) is one of four ACC teams to earn a berth in the 64-team field, along with champion Florida State, Miami and North Carolina.

A Gift That Will Pay Dividends Far Into The Future...

For its 125th birthday, NC State received a **transformative gift**: a new class of **freshmen**, one of the most talented the university has ever welcomed.

The 4,316 new freshmen came from an impressive pool of applicants. **More than 20,000** people sought admission as freshmen, the most in university history. The average SAT score for this year's enrollees is 1219, the first time a group of Wolfpack freshmen has averaged better than a 1200.
