PRESIDENT'S MESSAGE

A special thanks to Nancy Moore for leading the October meeting in my absence. I sincerely appreciate all the assistance and leadership that our Executive Committee provides throughout the year.

Annette Harrell has done a fantastic job lining up wonderful programs this year. The November program focuses on the North Carolina 4-H program – a program that has touched and shaped many lives in our state and nation. Not only will Dr. Michael Martin be talking about the NC-4H Centennial celebrations, but your dessert will be 4-H Campfire Delight ice cream – produced at the NCSU Creamery!

President's message continued.....

This ice cream flavor is the winner from a state-wide competition held last year. 4-H'ers from all over our State sent in their flavor combinations, then 10 were selected for a state-wide vote. The final three were produced at the Creamery, then judged, and "4-H Campfire Delight" was the winner! (Now if this new ice cream flavor does not entice you to join us for the November meeting, I don't know what will!)

I look forward to seeing you all on November 19, and please continue to invite your friends, family, and colleagues to our meetings.

Please call or email if you have any questions or concerns (513-3463 or anne_porter@ncsu.edu).

Anne Porter,
2009-2010 President
