You know them, you love them... plus it's an election year, which means they'll have lots of juicy material! For over thirty years, the Capitol Steps have been putting politics and scandal to music. They began when Reagan was president and ketchup was a vegetable. As fans know, the Steps are the premiere political comedy troupe in the nation, and the only group in Washington that attempts to be funnier than the Congress.

Message from President Jackie Wynne

Hello, Ladies of the Club. I hope all of you are doing well and have been enjoying a great summer. I want to give thanks and praise to all the ladies on the Executive Board and all the Committee Chairs (those who re-upped as Committee Chairs and those who stepped up) and all committee members who have worked so hard during the summer to help plan for this year. As all of you who have been members of the NCSU Woman's Club for many years know, a lot goes on behind the scenes, and none of this would be possible without the commitment and dedication of our **ALL-VOLUNTEER** force. I can only begin to tell you how much I appreciate your guidance, support and encouragement.

You will notice that we have made a few changes in how we do things. We have changed the time of the monthly luncheon meetings to 12:00 Noon. We hope this will be more convenient for most of you. We'll see how it works this year.

In an attempt to make the lunch menu more varied and interesting, you will now have the option of choosing between two entrees. The menu for each month's meeting will be included in the newsletter, along with the program information and hostess names. You will need to choose one of the two entrees offered, and indicate your selection on your reservation form. You may also want to keep in mind that take-out boxes are always available upon request, so if you can't eat the lunch you paid for then and there, you can take it with you!

President's Message continues inside.

President's Message, Continued

Geneva Humphries (Chair, Hostess Committee) and Dora Cornwell (Chair, new Reservations/Nametags Committee) have streamlined the reservations process, and we hope you will find it easier and less confusing.

Nancy Devine has updated the website (<http://clubs.ncsu.edu/womansclub>). We hope you check in often. Much of the information in the Yearbook will also be available on the website, as well as the monthly newsletter and minutes of Executive Board Meetings. About 20% of our membership do not have an email address, therefore everything posted on the website will also be in print form, but not available as quickly as online. The Communications Committee will continue to remind members of upcoming meetings and events, either via email or phone call. We would like to notify members by email as much as possible. You will receive a phone call if we do not have an email address on file.

The "interest" in Interest Groups seems to have dwindled over the years, probably because of a lack of time. We all lead such busy lives, and it is difficult to commit to regular weekly or bi-monthly meetings. For this reason, we are revamping the committee. I will serve as Interim Chair and am seeking volunteers to help with the transition, including someone to take over as Chair. We might replace "Interest Groups" with "Special Programs" -- which would be events, excursions or activities in addition to our monthly luncheon meeting. Any members of the Woman's Club could sign up for whatever "it" is...for example, one month it might be a field trip to the museum, or a "gourmet group" visit to a restaurant, or reading a book selection. If enough sign up, we might enjoy the event or activity as a group.

The Bridge Group (Intermediate-Non-Beginners), chaired by Doris Wernsman, continues to meet weekly at the Ramada Inn on Blue Ridge on Tuesdays. There might be a need to form a Beginners' Bridge Group. Please let me know if you would join such a group; perhaps we can find someone to teach a class. (Any volunteers?)

Please call or email me with questions or comments anytime (919-880-1569 or jackiewynne@msn.com)!

NC State Alumni Association Honors Ada Dalla-Pozza

Earlier this year, NC State University home economics legend and Woman's club member Ada Dalla-Pozza received the 2011 North Carolina State University Alumni Association Award of Merit. In her remarks when accepting the award, she said, "Throughout my life, my goal has always been to better the families of North Carolina through this non-formal, land-grant mission called Extension home economics. I graciously accept this award of merit on their behalf and challenge those of you in the audience to continue this work for all North Carolinians." We congratulate Ada and thank her for her service to our organization, to our university, and to the citizens of our state.

Mary Ingram Cates to be Named to Raleigh Hall of Fame in October

The Raleigh Hall of Fame recognizes those who have made significant contributions to the City of Raleigh. Three cheers for Mary!
