Message from President:

Welcome to the 2014-2015 year of the NC State Woman's Club. I am honored to be your president and with the help of the membership, I know this will be a great year. I trust everyone had a wonderful summer. I know it was much too short. I look forward to an exciting year. -

Aileen Pressley

Announcements:

There will be an Executive Board and Committee Chairs meeting at 10:00 AM on Thursday, September 18th, before the regular monthly meeting. This meeting will be held in our meeting room at the University Club.

September Meeting – Thursday, September 18:

The program this month will be presented by Dr. Daniel Solomon, Dean, College of Sciences, NCSU

"Baby Bottles, Big Data and the Biofilm Breakup: A Blueprint for the Future of Science"

NC State launched its College of Sciences in July 2013, bringing together people and programs in the biological, physical and mathematical sciences. The new college channels NC State's basic science strengths into a comprehensive enterprise dedicated to tackling big societal challenges in health, energy, security and the environment. This presentation will provide an overview of the new college and highlight some of the ways its students and faculty are crossing traditional scientific boundaries and communicating their work to the public.

Do you need a ride?

Please don't let lack of transportation be your excuse for missing out. We have members happy to help and are eager to assist with transportation. Please call Grace Hodgson [919-781-2983](tel:919-781-2983) for assistance. Hope to see you there.

2014-15 Yearbooks

Our new 2014-15 Yearbook will be available for pick up at our September meeting. We will hand them out at the back of the room during our meeting. If you cannot be there, we will mail the Yearbook with our October newsletter. – **Sandy Donaghy**

Newsletter Articles

October newsletter articles are due to Helen Crane no later than October 1. – **Helen Crane**
