**Please read the important message from our President. I hope everyone is safe and staying healthy.**

#### **Message from our President:**

My very dear North Carolina State University Woman's Club members,

First and foremost, I hope that all of you are doing well during these very trying times. I hope that you are able to make a little lemonade out of these lemons we have been tossed.

The Executive Committee has discussed the situation at hand concerning COVID-19, and with our members welfare in the forefront, we have decided that we shall not meet until we get clear indications of safety for North Carolina.

There will be NO meetings or luncheons for this fall or the rest of 2020. We will readdress this situation, in hopes that it will be better, in early 2021.

You have given me a wonderful experience in serving as your president for the past two years. What knowledge and wisdom are held by this very special group of ladies!!

Conversations with you always turns up new ideas and exciting adventures that you are up to or have experienced!

I have so enjoyed getting to know you better, and working with so many of you to make the North Carolina University Woman's Club a continued success!

I do hope we are able to resume our club activities in 2021 as we induct our next slate of officers. Meanwhile, we shall continue to place our energies in keeping our loved ones, our communities and ourselves safe and healthy.

My warmest regards to each of you,

Sharon Ayers  
**President, NCSUWC**

**Communications Committee:**

We sincerely hope that all are well and staying healthy! Many of our members are still facing hardships, however. Please let Barbara Dickey, Chair of the Communications Committee, know as soon as you can about any members who need a little cheering up or extra support. She can be reached at [dadickey@bellsouth.net](mailto:dadickey@bellsouth.net).

Thanks to all for your cooperation! See you in 2021!!

Thank you, Ladies,

LuAnne Bonanno
