Our next meeting will be in September! Enjoy your summer, Everyone!

Message from our President:

The NC State Woman's Club year has come to a close and what a great one it was. We have enjoyed outstanding informative programs, musical entertainment, fellowship with each other and inducting many new members to strengthen our organization. By working together, the Woman's Club has grown in meeting its mission to unite N.C. State University women in common interests and promoting the welfare and advancement of the University through scholarships, feeding the pack, and other endeavors.

I am honored to be elected as president of the NC State University Woman's Club for another year. Working with executive team and committee chairs for the 2024-2025 meeting year will be exciting, challenging and rewarding for us all. Please let me know if you have suggestions to improve or enhance the NC State University Woman's Club. May all of you have a great summer and enjoy your vacation time. Please contact me or LuAnne Bonanno with any news that should be shared with the membership.

I look forward to seeing everyone in September and starting the new year!

Dean Simpson
President, NCSUWC

Program Committee:

The program committee has met, and we are reaching out to speakers for the coming academic year. We are excited about the program topics, and hope to secure our speakers fairly soon.

Thank you very much to the willing program committee members.
